

Certificate of Conformity of the Factory Production Control

No. 0780-CPR-142092

In compliance with *Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation - CPR), this certificate applies to the construction products

Structural products of aluminium alloy for construction works

Extruded cross sections acc. EN 755

Cross sections (outer circle): $19 \text{ mm} \leq \varnothing \leq 273 \text{ mm}$

Material: EN AW-6063-T5; EN AW-6063-T6

produced by

Sankyo Tateyama Inc.

70 Hayakawa

Takaoka City • Toyama 933-8610 • Japan

and produced in the manufacturing plant

Imizu Factory

13-3 Nagonoe

Imizu City • Toyama 934-8577 • Japan

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonised standard

EN 15088:2005

under system 2+ are applied and that

the factory production control (FPC) fulfils all the prescribed requirements.

This certificate was first issued on 2014-03-04 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction products, and the manufacturing conditions in the plant are not modified significantly, latest until 2019-03-04, unless suspended or withdrawn by the FPC certification body.
